Abstract Notification.

The attention of the public is invited to the notification on pages 1178-1180, Part VI of the *Mysore Gazette*, dated 22nd July 1937, inviting tenders for the work of Restoring Rajenahally Devarakere, R. No. 309 of Malur Taluk, Serial No. 237.

The last date fixed for the receipt of tenders in this office is 12 noon on 16th August 1937.

Abstract Notification.

The attention of the public is invited to the notification on pages 1180-1183, Part VI of the *Mysore Gazette*, dated 22nd July 1937, inviting tenders for the work of restoring Hulimangala Hosakote Kadankere minor tank, R. No. 478 of Malur Taluk.

The last date fixed for the receipt of tender in this office is 12 noon on 16th August 1937.

Notification dated 29th July 1937.

Sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 12 NOON on 23rd August 1937, for constructing a building for Urdu Girls' School at Oorgaum Kolar Gold Fields.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kolar Division, should be addressed to the Executive Engineer, Kolar Division, in a sealed cover and superscribed as "Tender for constructing a building for Urdu Girls' School at Oorguam, Kolar Gold Fields." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied with a Treasury challen for an earnest money of Rs. 160 paid to the Treasury to the credit of 17(a) Public Works Department as against the account of the Executive Engineer, Kolar Division, Kolar.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 23rd August 1937 at Kolar Division. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office, in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay specifications (1931) and also to furnish a security deposit of Rs. 320.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Kolar Division, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a Firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney, authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions, or additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of December 1937 failing which, the Executive Engineer may, at his discretion, levy a penalty of Rs. 5 per day, which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the Contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages, for delays caused by Officers of the Department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will however be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer, in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being, the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of Royalty and tolls.

Note (A).—The Contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering labour and appliances for hoisting.
(3) Provide mortar mills and sheds to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations, wherever and whenever necessary with his own pumping apparatus, including necessary leading drains, slump pits, etc.

(9) Afford facilities to any other parties employed upon the work by the P. W. D. so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.

(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note (B).—It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Executive Engineer.

MEDICAL DEPARTMENT

MENTAL HOSPITAL, BANGALORE CITY.

Notification dated 2nd August 1937.

Notice is hereby given that sealed tenders in triplicate on half-sheet foolscap sized paper will be received by the Superintendent, Mental Hospital, Bangalore City, at 11 A.M. on Monday the 6th September 1937, for the supply of Weaving Materials as per list annexed, required for the Weaving Department of the Mental Hospital, from 1st July 1937 to 30th June 1938, both days inclusive.

2. No tender will be received after the date abovementioned.

3. Tenders to be superscribed "Tender for the supply of Weaving Materials to the Mental Hospital."

4. No tender will be received unless accompanied by a deposit of Rs. 50 in Treasury Receipts, and samples of yarn as per list annexed.

5. Tenders will be opened by the Superintendent, at his office, on the date and at the hour mentioned in the presence of such tenderers as may choose to attend.

6. The rate for each item should be given in figures, as well as in words, and should be quoted for a 10 lbs. bundle of yarn.

7. The material required for weaving should be supplied on indents issued by the Superintendent, Mental Hospital, Bangalore City, in such quantities as may be required from time to time.

8. The quantities stated in the list are not guaranteed.

9. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

10. The deposit of the successful tenderer will be retained, and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 100) within three days from the date of his receiving information of the acceptance of his tender.

11. No advance of cash will be made to the contractor. Payments for the articles supplied in each month will be made, as soon as possible, after the 10th of the following month on his producing the necessary bill with vouchers.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 10 will be levied by the Medical Officer for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself will be annulled and the security confiscated to Government in the case of continued or frequent violation of the terms of the contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

15. The Contractor will be bound on occasion of emergency to supply any other popular colours of yarn that are not mentioned in the Tender notice at prevailing market rates and at short notice.
